

EMANUEL

LUTHERAN SCHOOL

DATE: December 5, 2022

TO: WI DPI

FROM: William Fuerstenau, Principal

SUBJECT: Data Errata

It has come to my attention that two students who were previously enrolled at Emanuel but enrolled at different schools for the 2022-2023 school year had enrollment erroneously reported to the state via the WISEdata Portal. Neither student has any attendance records at Emanuel for the current school year; this was an error made by our previous Student Information System, which has been unwilling to rectify the situation since we moved to a new system. The students are properly listed as transfers who never attended Emanuel for the 2022-2023 school year in our new SIS moving forward, but their status for the 2022-2023 school year in WISEdata is incorrect.
